Campus Beautification

All work is to be performed in a safe and careful manner in order to protect all employees from any undue harm.

DESCRIPTION

Employee may perform any combination of the following or similar tasks as directed: tours campuses/grounds on foot including walkways, parking lots, fence lines and other exterior areas, hallways, and entry areas looking for litter. Uses a long-handled pick up device to retrieve litter and place in a garbage bag. May use either bucket or bag held by harness to collect debris. Using long-handled dustpan and broom sweeps litter/debris in entryways and other designated areas. May sweep up small amounts of broken glass. If broken glass is scattered too widely or litter is too large, notifies appropriate personnel for corrective action. May be assigned to different campuses. Monitors campuses for unauthorized people or activities. Reports situations needing intervention to supervisor or school administration. May check buildings and properties for graffiti or other types of vandalism. Identifies and documents/logs location and type of vandalism and notifies appropriate personnel (school district, police, etc.) for action. May take pictures of the graffiti or vandalism damage, assist with the completion of police reports, Maintenance department work orders, etc. as appropriate. Acts a liaison between site of the vandalism (administrative personnel, etc.) and Maintenance Department. May remove or paint over small areas of graffiti using quart can and brush or spray paint can as directed.
