

# A User Friendly Workstation

## Supported Upright Posture

Elbows, hips and knees are at 90-110 degrees. Leaning back slightly into your chair's back rest preserves the lumbar curve, opens the hip angle and promotes blood circulation.

## Checklist for a User Friendly Workstation:

- ✓ Top of screen at eye level; lower for bifocal wearers
- ✓ Screen distance at arm's length (18-36")
- ✓ Document holder centered between monitor and keyboard or next to screen
- ✓ Chair backrest provides firm lower back support
- ✓ Chair back and seat easily adjustable for height and tilt by user
- ✓ Keyboard height promotes relaxed arms with forearms parallel to floor (don't lean on armrests when keying)
- ✓ Mouse on the same level next to keyboard
- ✓ Wrists straight (neutral)
- ✓ Padded, movable wrist rest, same height as front of keyboard (Do not use wrist rest while keying)
- ✓ Keep commonly used items within near reach
- ✓ Rotate job tasks to avoid constant keyboard work
- ✓ Knees at or below hip level
- ✓ Ample legroom under work surface
- ✓ Feet rest firmly on floor or foot rest

# CCCSIG Resources for Computer Users

## Workstation Ergo Evaluations (45 min. to 1 hour)

- ✓ Supervisors may request an ergo evaluation for their employees by contacting us at [dschreiner@cccsig.org](mailto:dschreiner@cccsig.org).

## “Ergo Day” (requested by supervisor; min. 5/max. 15)

- ✓ Participating employees attend a 30-minute in-service on office ergonomics and encouraged to apply what they’ve learned to their workstations.
- ✓ After the in-service, CCCSIG health and safety specialists conduct individual, 10-minute check-ins to ensure each participating employee’s workstation is positioned correctly.

## Large Group Training (min. 10; max. unlimited)

- ✓ 1-hour, in-person training titled, “Ergonomics & Self-Care Techniques in a Computer-Based World “.
- ✓ For more details, visit: <https://www.cccsig.org/health-safety/trainings-instructor-led/>
- ✓ To schedule, call 1 (866) 922-2744 ext. 270 or email [dschreiner@cccsig.org](mailto:dschreiner@cccsig.org).

## Online Training

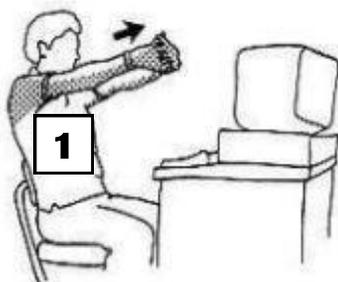

- ✓ Sit Safe Ergonomics: Get Your Ergo On! (CCCSIG)
- ✓ Office Ergonomics (SafetySkills)
- ✓ Contact Denise Schreiner to set up an online account for you at [dschreiner@cccsig.org](mailto:dschreiner@cccsig.org).

## Medical Care for Work-Related Injuries

- ✓ Call Company Nurse Injury Hotline at 1 (888) 375-9779

# Exercises to Do Throughout the Day

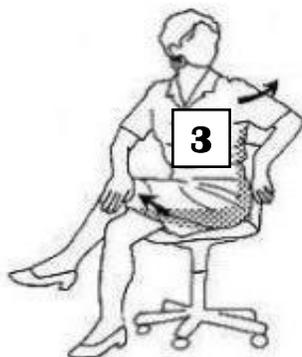

*Sitting for long hours in one position—no matter how good your posture is—can be fatiguing and lead to discomfort.*

10–20 seconds  
2 times

10–15 seconds

8–10 seconds  
each side

10–15 seconds  
2 times

## Don't Forget...

Vary your position  
throughout the day.

Take frequent, short  
stretch breaks to get up  
and move around.
